

BCHL MEETING AGENDA

Tuesday, August 22, 2017 6:30 PM

1. Dan and Eric will firm up the Tyke(IP) program format. GZ recommends that 1 ice time/week from start of season to Dog Show Weekend, after which, 2 ice times/week. Games start after that weekend. We have Monday's and Friday's for ice - need to decide what ice time will be used from start of season to Dog Show.
2. Select - information notice to be sent out and placed on website. Try-out schedule to be posted soon on the web. Each team gets 2 ice times. \$30 to try-out, which covers the ice costs (the try-outs are NOT part of the 18 ice times that each team gets).
3. Opening BBQ - JV update. Do we need anything??
4. Saints Wear - Rick can provide a brief update.
5. Electronic Game Sheets - confirmed for this season. Need a list of timekeepers - to be submitted to Sandra. Board members get first "crack". Need to firm up the list of 8 or so time keepers. We will need to have a meeting/training in September to go over the new game sheets and review how timekeepers will be scheduled this year.
6. GZ/ES & SG will take inventory of evaluation jerseys and goalie equipment - in preparation for the jersey hand out night.
7. Coaches meeting - the intent will be to schedule a coaches meeting, sometime during the evaluation period.
8. Evaluation period will be the 1st 3 ice times, after which teams will be made and finalized. Jerseys will be handed out then, by the coaches.
9. After our 2nd live registration date - Sandra will begin to share numbers and contacts of players for each division - so that evaluation teams can start to be made up. At that point, division directors can start contacting families directly (similar to last year). Let's start communicating early and often for the first few weeks of the season.
10. Confirm season format. Games between now and end of Calendar year do not count in the standings. Games after the holiday break (in Jan.) start to count in the standings. Teams will be ranked - and seeded headed into March Madness. 6 team divisions play quarter, semi and final round. 4 team divisions play a semi and final round. Super Saturday is the championship day. We will need to look at the calendar and confirm - but suggest to have no meaningful game during the week of March Break. That ice time can be changed to practice, and we can drop to 1 ice time that week for all teams.
11. Picture day - do we want action shots, or team shots? Vote.
12. Tournament Update - very brief. Can review the dates, review registered teams, questions, etc.
13. 1st day of ice - Rob Crocock will lead on ice activities. Coaches are encourage to go on ice to help.
